Major Custom Cable is proud to be a Belden Certified Assembler. MCC has had great success in using a variety of Belden products in both our standard and custom assemblies. Belden CDT, Inc., was formed in July 2004 through the merger of Belden, Inc. and Cable Design Technologies Corp. Belden CDT is one of the largest U.S. based manufacturers of high speed electronic cables and focuses on products for the specialty electronics and data networking markets, including connectivity. Ask your MCC representative for assemblies made with Belden CDT products.
